

Updated Step 15 of Jen's Face Mask Instructions 7-28-2020

15. Fold up the corners of the top and bottom edges as shown in the photos and clip in place.

Your folds in each corner should resemble an "N". (see photo below)

If your folds look more like a “W” and your mask is flat, try again.

When you have folded the corners of your top and bottom edges, your mask will look something like this and be three dimensional. (see photos below)
